Looking for Demographics and Company Data

Welcome to SimplyAnalytics

Please add some locations, data variables, and businesses to your project using the three tabs on the left. After you add at least one location and one variable we will automatically create some maps and reports for you. If you have any questions or issues please click on the support button at the top of the page.

The premier source of information for reference and research

Offers Accurate Data on 55M Businesses and 319M Consumers

Available Databases
Select a Database to Get Started

U.S. Businesses
55 Million Businesses
3.1 Million Closed Businesses

U.S. Historical Businesses
286 Million Historical Records

U.S. Businesses
The U.S. Business database contains a total of 55 million businesses including 16 million verified and 39 million unverified businesses that are updated weekly. It is the only business database
Spring Semester Webinars

Robust slate of new webinars on health sciences topics reaches students at their convenience.
